

Applying for a Schengen Visa for

Business / Trade Fair

(short term stay for up to 90 days within a period of 180 days)

for non-Kuwaiti passport holders

The German Embassy Kuwait is the competent mission for your Schengen visa application if your usual place of residence is Kuwait and your main destination is Germany, Finland, Iceland or Norway. Should it become clear that your usual place of residence is outside Kuwait; your visa application cannot be handled by the German Embassy Kuwait.

Applicants whose usual place of residence is Syria or Yemen can also apply for a Schengen Visa at the German Embassy Kuwait.

Please note that applications for a Schengen visa are to be submitted at the external service provider [VFS Global Kuwait](#). The external service provider supports you during the application procedure and forwards your file to the Embassy. If you do not speak Arabic, English or Hindi, please be accompanied by a translator for your visa appointment.

Schengen Visa applications can be submitted up to 6 months before and must be submitted at least 15 days prior to your travel. The Embassy cannot speed up the processing time of your application, so please allow for ample time by booking your appointment as early in advance as possible.

Every applicant needs his/her own appointment and needs to appear in person. Minors have to be accompanied by their custodians.

Should you need appointments for a larger group, please contact VFS Global Kuwait in advance.

We urgently recommend that you book your appointment yourself. Using “agents” or “advisors” puts you at risk of losing a lot of time and money. Booking an appointment is free of charge; neither the German Embassy nor VFS Global Kuwait will request payment other than the visa fees or the VFS Global Kuwait Service fees stated on the respective websites.

Documents and certificates are to be provided in German or English. Should your documents be issued in any other language, please provide the original with an official translation into German or English.
