

Applying for an

Airport Transit Visa

for Non-Kuwaiti passport holders

The German Embassy Kuwait is the competent mission for your Airport transit visa application if your usual place of residence is Kuwait and your Transit Airport is in Germany. Should it become clear that your usual place of residence is outside Kuwait; your visa application cannot be handled by the German Embassy Kuwait.

Applicants whose usual place of residence is Yemen can also apply for an Airport Transit Visa at the German Embassy Kuwait.

Please note that applications for an Airport Transit visa are to be submitted at the external service provider [VFS Global Kuwait](#). The external service provider supports you during the application procedure and forwards your file to the Embassy. If you do not speak Arabic, English or Hindi, please be accompanied by a translator for your visa appointment.

Every applicant needs his/her own appointment and needs to appear in person. Minors have to be accompanied by their custodians.

Should you need appointments for a larger group, please contact VFS Global Kuwait in advance.

We urgently recommend that you book your appointment yourself. Using “agents” or “advisors” puts you at risk of losing a lot of time and money. Booking an appointment is free of charge; neither the German Embassy nor VFS Global Kuwait will request payment other than the visa fees or the VFS Global Kuwait Service fees stated on the respective websites.

Documents and certificates are to be provided in German or English. Should your documents be issued in any other language, please provide the original with an official translation into German or English.

The applicant is responsible for all information provided during the application process.

Only fully completed applications can be accepted; failing to submit the necessary documents in the requested form may lead to a refusal of your visa request.

Forged or falsified documents, including fake reservations, will result in an immediate refusal of your visa application and a possible entry ban to the Schengen area.
