The German Embassy Kuwait is the competent mission for your national visa application if your usual place of residence is Kuwait and your main destination is Germany. Should it become clear that your usual place of residence is outside Kuwait; your visa application cannot be handled by the German Embassy Kuwait.

Applicants whose usual place of residence is Yemen can also apply for a national Visa at the German Embassy Kuwait.

Every applicant needs his/her own appointment and needs to appear in person. Minors have to be accompanied by their custodians.

If you do not speak German, English or Arabic, please be accompanied by an Interpreter to your appointment.

We urgently recommend that you book your appointment yourself. Using “agents” or “advisors” puts you at risk of losing a lot of time and money. Booking an appointment is free of charge.

Documents and certificates are to be provided in German or English. Should your documents be issued in any other language, please provide the original with an official translation into German or English.

Certificates, diplomas, etc. must be presented in the original with apostille/legalisation. Please check the relevant information in regards to the country where the document was issued. The German Embassy Kuwait can only legalise Kuwaiti certificates.

Your original documents will be returned to you after having been checked by the Visa Section.

Missing documentation delays the procedure and can result in your application being rejected.

Forged or falsified documents, will result in an immediate refusal of your visa application and a possible entry ban.
